

Lewis University

Professional Licensure Disclosure

Bachelor of Arts in Social Work and Master's in Social Work

Lewis University has compiled the following resources to ensure students have information about educational requirements for professional licensure and certification in all U.S. states. The charts below provide links to state licensing agencies and boards of higher education, and reports whether Lewis's programs in Social Work meets, does not meet, or it has not yet been determined if it meets licensure or certification requirements for each state.

Lewis's bachelor's and master's in Social Work is accredited by the Council on Social Work Education (CSWE) Commission on Accreditation.

Students interested in becoming a licensed social worker, in Illinois or another U.S. state or territory, should inform themselves about licensure requirements in the state or territory in which they intend to live and work.

State by State Licensure Requirements
